

Welcome to Connemara and our 3rd annual on farm sire Bull Auction.

Stud Background

We had been selling bulls privately on farm for 6 years , after buying Chris Whytes Stud Herd. The History of this Fiordland Wapiti Stud dates back to Chris Whytes father , Robert who started Deer farming Wapiti with license No 31. Most of the Whyte family bloodstock were sourced from the park through the late Evan Merediths Herd in the early eighties. Chris Whyte started selling Bulls in the 1990s from his farm at Orepuki before moving to Te Anau around 2000.

During our time with the stud we have been selecting Stud Sires and breeding for deep compact body confirmation, high growth rates, great temperament and well above average velvet weights, “yes we believe you can have it all”.

On the commercial side all our weaners were killed by the third week of November averaging 59 Kgs ,all fawns were from our 750 hybrid hinds .It was also pleasing to note that our weaners were 2 weeks ahead and 2 kgs heavier than a line we bought in at 78 kgs liveweight and wintered. The last two seasons have been particularly dry in the basin and supplementary feed was at a premium. Our wapiti thrived in these conditions and growth rates have increased a testament to our continuing selection of sires and feeding.

The Future

We are now two years into growth rate recording for our upcoming sale bulls and at this stage the results are up with the best of other stud herds for the most relevant period of up to 12 months .This year at Connemara we are also embarking on eye muscle scanning to further enhance our breeding /selection programme and potentially offer superior muscled animals to suit export markets.

We are proud to offer this line of bulls for sale and wish you well with your purchases.

Compliments for the season and we wish you all the best for 2014

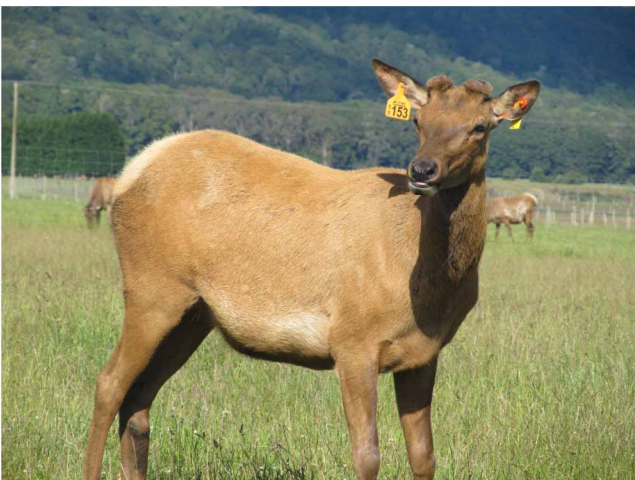

Murray & Bev Hagen

Jim & Jacinta Cameron

Stud Sire Bull (Green Tag 119 Tikana)

CONNEMARA SALE STAGS 2014

Guarantee - If a bull is proven to be sterile within 12 months of purchase it will be replaced by an animal of similar quality or the purchase price refunded. This guarantee refers specifically to sterility and not to any condition due to accident or illness
